“The company ticks all the right boxes, by having friendly staff offering the ultimate holiday or business trips. They really are a cut above the rest.” - Sun Tours Customer

Our Vision

We want to make a **positive impact** on the world of business.

Sun Tours aims to grow profitably in our respective countries by offering value and high-level services in order to achieve total client satisfaction.

Our vision is maintained through consistent leadership, controlled growth, and excellent commitment while reducing travel costs on your clients.

We seek to enhance the corporate management tools in order to improve our services through market analysis and continuous service development.

Our Mission

“Efficiency, Flexibility, and **Service Quality**”

We are committed to provide your clients the best experience, from the moment you contact us till the time your clients return to your homeland.

Details of the trip are worked on prior, during, and till it is completed; to make sure that everything is smooth and convenient for your clients.

What We Offer

01

Incoming Arrangements

Our staff consists of experienced professionals of the travel industry who are passionate about the products and services they promote.

Therefore, we solely focus on your clients' comfort, satisfaction, and safety. Their travel experience is our top priority, as we understand what a good travel experience entails.

03

Flight Ticketing Services

We offer airline ticket booking services, e-ticketing, scheduling flights, and delivery of necessary information to your clients; being an authorized agent for IATA global travel and tourism.

02

MICE Services

We offer a full range of event hospitality services encompassing corporate business meetings, incentive travel, conferences, exhibitions, local sightseeing tours, limousine services, and airport transfers.

We take care of everything from start to finish, providing your client with a unique, burden-free experience.

04

Transportation, Transfer, Meet & Assist

We are one of the strongest providers for transfers, having our own stands at the arrival points of the main airports. Our fleet, which is used for airport transfers and excursions, as well as group handling, consists of luxury owned and leased buses, minibuses, and limos driven by experienced and tourism educated drivers.

Firsthand knowledge and personal service are at the core of everything we offer your clients.

Our travel consultants are highly experienced, therefore their knowledge is extensive in this competitive and ever changing market.
